VIOLENT STORM LASHES CITY

A violent storm last Saturday caused flash flooding to many Altona streets, caused widespread blackouts, and left many motorists stranded as cars stalled.

At the height of the storm:

- Two inches of rain fell in less than an hour.
- A water main burst at the corner of Upton Street and Civic Parade leaving a 4 ft. deep gaping hole in the roadway.

- A house in Lawrence Court, North Altona, was struck by lightning, splitting a 6 ft. chimney.
- The Town Hall clock, by which many people keep correct time, was put out of order.

The clock started again on Monday evening.

The torrential downpour was the second to hit the Altona area in the past two weeks.

Sporting fixtures at nearby Werribee were completely washed out when the storm struck at 2 p.m., but at Altona, bowlers played all day and other activities went ahead as scheduled.

FLOODING

Lawns everywhere were flooded with water stretching from fence to fence in many streets, but this did not make roads completely impassable.

Town Clerk Mr. J. Waters said some people had to wait three hours before relief came, because drains were running to full capacity.

He added: "The engineer's department was called out when reports were received and they made spot checks to see that drains were not blocked."

ROMANTIC

Mr. Waters said that power blackouts were frequent, but power was restored after some hours.

At the Civic Hall, where a wedding was in process, gas lamps added a romantic air to the proceedings.

The burst water main was caused by seepage of water into a newly-excavated sewerage main. Mr. Waters said MMBW crews worked overnight to restore the damage.

Lightning struck at the home of Mr. and Mrs. D. Wilkinson, 2 Lawrence Court, North Altona, about 5.45 p.m.

Apart from the damage to the chimney, Mrs. Wilkinson said the family's television set had gone dead when the aerial was struck.

Mrs. Wilkinson added that all damages would be covered by insurance.

Councillor again on management

Cr. Pat Burns has been re-elected as Altona Council's nominee on the Altona Hospital committee of management.

The appointment is for three years (Cr. Burns' previous three-year term was to have expired on March 4).

Action demand on teacher shortage

Altona council will ask the Minister for Education, Mr. Thompson, for action on the teacher shortage at Altona North Technical School.

This comes after a report by Cr. Pat Lynch, who holds the council's education portfolio.

Cr. Lynch said that Altona North Tech was short seven teachers short, while Altona North High was one maths teacher and one science teacher short.

He added "Despite this we appear to be in a better situation than last year."

Cr. Ray Richards successfully moved that council write to Mr. Thompson advising of the situation at Altona North

Tech, and asking if the position could be eased. Brooks. Cr. Richards said, "It might help to highlight the fact that we do need a Teachers' College on this side of town."

Wrote four bad cheques

A young Altona man who passed four worthless cheques to the Altona Workingmen's Club was placed on a \$100 good behavior bond at Williamstown Court last Thursday.

Anthony Michael Ive, of Davies Street, Altona, pleaded guilty to four charges of false pretences, involving four \$10 cheques drawn last month on the Altona branch of the Bank of New South Wales.

The court was told that Ive has been unemployed since November 1970, and wrote the four cheques, knowing that he did not

have enough money in his account to cover them. Ive said his father and mother had been supporting him, but he now held two jobs. He had paid the club back in full.

Mr. F. Clancy SM adjourned the case for 12 months, and placed Ive on a good behavior bond of \$100.

FIDO'S FEES UP

Altona dog owners must pay \$2 to have their dogs registered from April 10.

It will cost Altona owners an extra \$15, \$17 in all, to register their dogs.

But there will be no charge for seeing-eye dogs, and pensioners will be required to pay only 50 cents to have dogs registered.

Town clerk, Mr. Jim Waters, said yesterday that an amendment in the Dog Act required all muni-

cipal councils to review their dog fees.

The maximum fee allowable under the act is \$3.

Mr. Waters added that all dogs in Victoria must be registered before April 10, for the year ending April 10, 1972.

Take off weight to music

How many times have you promised yourself that you will lose weight and improve your figure?

If distance from the city prevented you from taking that first positive step towards looking and feeling your best, here is good news.

Mrs. Crena Healey has opened her weekly keep fit classes in Laverton after the success of her classes in Altona.

—Mrs. Healey is a good advertisement for her classes. She has a slim, fashionable figure and a cheerful personality.

She said: "I prefer to have people see the classes for themselves, before they make up their minds to join them."

At Laverton, classes are only 50 cents a les-

son and exercises are set to music.

They are different from the usual keep fit courses, because they are varied and interesting.

In this way the muscles are toned up, and you feel brighter and more energetic.

It is a pleasant way to shed those extra pounds or to distribute them in the right places.

The Laverton classes are held each Wednesday at 1.30 p.m. in the Laverton Memorial Hall.

Altona classes are

held every Wednesday, from 10 a.m. to 11 a.m. in the Altona Youth Centre, Civil Parade.

Night classes are held at the Methodist Hall, Seves Street, Altona from 7.30 p.m. to 8.30 p.m.

Mrs. Healey has more than 20 years of experience in conducting exercise classes and she welcomes inquiries. For more information please ring 314 5186.

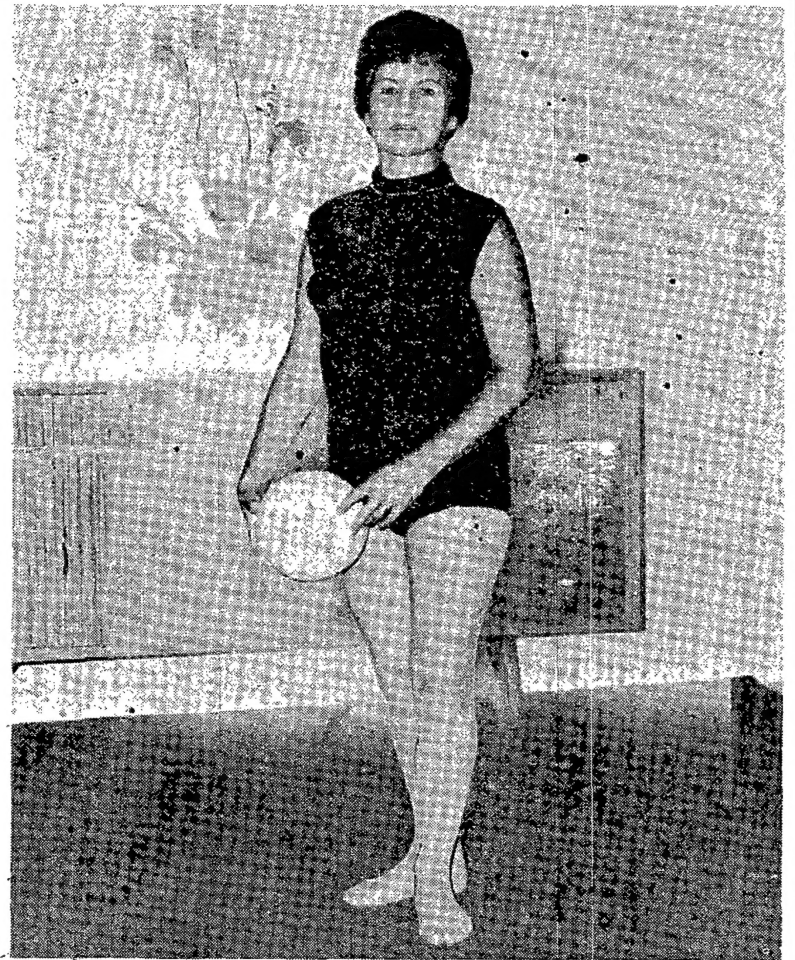

If you have nobody to look after the children bring them with you.

Mrs. Healey has somebody to mind them at both centres.

Most women find they are able to cope better with their busy life when they are in peak physical condition.

When your body is fit, those nagging aches and pains disappear and life takes on a new meaning.

So why not come

along to one of the classes and see what it can do for you?

No dreary push-ups

for Mrs. Crena Healey (pictured above). Her keep fit classes are designed to make you

really enjoy exercising. She believes that if you find it fun, you will exercise regularly.

SCHOOL ADDS TO COMMUNITY LIFE, SAYS PRINCIPAL

Mount St. Joseph Secondary School could contribute significantly to the community life of Altona, the school's principal, Sister Anne, said last week.

MILK BAR ALCOHOL IN PROBE

Altona council is to ask its chief health inspector, (Mr. John Mellors), for a report on all alcoholic beverages which can be sold in milk bars.

The council decided this after a motion that it oppose the selling of all alcoholic drinks in milk bars was defeated.

Also present was the Director of the Victorian Catholic Education Office, the Rev. Father Martin, and two members of his staff, Mr. Brassil and Mr. Daffey.

Sister Anne said: "Besides the local church communities we are also part of the wider community of citizens."

"Altona is noted for its strong community life and especially for the interest of the leaders of the community in education."

Those present included the Mayor of Altona, Cr. Doug. Grant and Mrs. Grant, the staff of St. Joseph and the staffs of affiliated secondary schools of Werribee and Yarraville.

"We are pleased that here today so that they can receive the expression of our desire to play our part in the community service which the schools of this area provide."

TRAINING COLLEGE IS NEEDED TO BEAT TEACHER SHORTAGE

There is an acute shortage of teachers in the western suburbs — and the only hope of getting sufficient teachers is to train them here.

This was stated last week by Sunshine councillor Vic. Parsons, during talks between members of the Western Suburbs' Municipal Association.

Cr. Parsons was discussing a letter from the Minister for Education, Mr. L. Thompson, concerning the possible establishment of a teachers' training college in the western metropolitan area.

The Minister said building a college in the western suburbs would be given careful consideration, but added that the immediate need was to improve and enlarge existing colleges.

He said: "The latter objective is already making heavy demands on the funds available to the Education Department."

Commenting on the Minister's reply, Cr. Parsons said a teachers' college was far more important at this stage than a university.

Cr. Vic Parsons

He urged the association — which includes Altona, Footscray, Sunshine, Williamstown, Melton and Werribee municipalities — to treat establishment of a teachers' college as a major issue.

"The only hope of getting teachers to stay here is to train them here," he said.

Cr. Fred Maddern (Footscray) said: "Right throughout the western suburbs we are screaming out for teachers and we just can't find them."

"And the situation won't improve until we stop the brain drain to the other side of town."

Cr. Maddern estimated that at least 70 per cent. of school principals in the western suburbs did not live here.

He said one principal had told him it was easy to get a promotion here.

"This highlights the fact that, in future, we have to find a way to train people who live this side of town."

"Surely the principal who lives here and knows the problems is better equipped to handle the problems at our schools."

Cr. Maddern said the Public Works Department had received an instruction that all works on schools cease indefinitely.

Therefore he was worried that any possibility of a teachers' college being established in the western suburbs was at least 18 months away.

He suggested that the Minister for Education be invited to attend the next meeting of the association

— to be held in April — to re-state his plans for education in the western suburbs.

This invitation is almost certain to be extended after the next meeting of the Association's Public Relations Committee.

Cr. P. Lynch (Altona) said he believed that, in general, amenities in schools in the western suburbs were very good. He said the Minister had also stated this opinion.

Cr. Lynch suggested that this fact could be publicised by pamphlets being distributed at teachers' colleges, and more teachers might then want to come here.

Mr. J. J. Ginnifer, MLA for Deer Park, raised the matter of teacher training facilities in the western suburbs in the Legislative Assembly late last year.

Mr. Ginnifer asked the Minister a question regarding the number of schools in the western suburbs which are being used as training schools for Melbourne and Coburg Teacher's Colleges.

He was told that Sunshine and Kellor — which have a population of more than 150,000 people — have only one primary school which is a training

school for teachers.

The Minister was asked to consider, at both administrative and policy levels, the nomination of further schools in the western suburbs to be used for teacher training.

Mr. Thompson replied: "It has been decided that the additional \$13 million to be spent over the next three years will be devoted towards increasing the size of existing colleges so that they can be regarded as economic units."

"In the past they have tended to be too small, especially having regard to the facilities which are necessary for teacher training."

"It is true that no decision has been made concerning the provision of a college in the western suburbs, but land has been reserved for the purpose."

"I believe the suggestion put forward by the honorable member for Deer Park to be reasonable; in fact, the department is using schools as far away as Geelong for secondary teacher training, and I do not think it would be unreasonable to extend the number of schools."

The bi-monthly meeting of the Western Suburbs Municipalities Association was unable to go ahead last Wednesday night when only eight councillors turned up.

The Association — formed in July, 1966 — is made up by three delegates from each of the six member municipalities. A quorum for a meeting is 10.

The secretary, Mr. J. F. Shaw, said it was the first time to his knowledge since 1967 that a quorum had not been obtained.

However, he dismissed fears that member councils could be losing interest in the Association.

"It was just a matter

Meeting failed

of circumstances" he said.

"Normally 14 or 15 out of the 18 delegates can be expected to attend."

Of the apologies received, the three Werribee delegates were attending a public meeting regarding the proposed severance of Laverton. Cr. Keith Anderson (Footscray) was on annual leave and Cr. Jack Tighe (Sunshine) was at a conference in Sydney.

No reason for non-attendance was given by two Melton delegates, two Altona delegates and one Williamstown delegate.

The meeting was set down for Sunshine. Instead of a statutory meeting, delegates in attendance went through the business agenda and had informal discussion on

matters considered important.

Those present were Crs. F. W. Jarraad and J. Byron. (Williamstown). Crs. D. Evans (Sunshine), Crs. F. Maddern and R. Hall (Footscray) Cr. P. Lynch (Altona) and Cr. J. Wallace (Melton).

The next bi-monthly meeting — scheduled for April — will be held at Williamstown.

Val's Column

Hello Girls,

Before you apply your make-up I hope you use your moisturiser. A light cream to counteract any drying effects from wind and sun, also you have noticed how easy it is to apply your foundation over that smooth surface.

Now, when you use Revlon Under Makeup Moisturiser you can go another step towards your finished look. With color—yes base color. Moon skin coloring. Take for example Under Makeup to correct as well as protect. Regardless of skin shade Moon Drops will even out and tone the skin coloring, take for example Under Makeup Moisturiser Base Tint Pinkbud — a subtle pink lilac for warming light to medium sallow complexions. It adds a glow to faded, tired skin tone. It gently rounds and contours and helps to make an angular face appear round and softer. It enhances an evening make-up that would appear dull in artificial light.

On the other hand Girls, Under Makeup Moisturiser Base Tint Teal — a misty green color to subdue a too rosy or florid complexion making it appear cooler and paler. A wonderful camouflage for freckles. Then Under Makeup Moisturiser Base Tint Rosetta is a warm apricot shade which warms and brightens medium to deep sallow and olive complexions. It will even out a fading suntan and enhance an evening make-up that would dull under artificial lighting.

One of these three shades is a must for you if you find something lacking after you have applied your make-up. There again, if you feel near perfect when you look in your mirror, you can still obtain Moon Drops Under Makeup Moisturiser Base in its original Natural Tone. There is no price difference.

Shopping baskets Girls, yes call now and see the range of attractive baskets. Suede is the in thing for this year. And we have handsome suede shoulder bags, studded, fringed, leather embossed bags — these have just arrived in. Don't leave it too late.

Reader's pollution concern

Concern is mounting in Altona over the high degree of commercial pollution in the area.

This week Mr. E. "Ted" Houston rang the Star and followed up with a letter expressing his concern.

It read:

In the past twelve months the people of West Altona have suffered greatly in the way of air pollution. I know that your paper has given it fair publicity and that other residents of the area are interested in trying to find a means to combat the problem.

I understand that at the present time the Altona council is initiating legal proceedings against one particularly bad offender, but I am anxious to form an anti-pollution group of residents in the West Altona district with a view of achieving a co-operative voice to show that we do not intend to suffer indefinitely.

I can be contacted on 398 2831 or by calling at 64 Brook Drive, Altona.

Yours sincerely, Mr. E. Houston.

How to keep cool by really trying

Schoolteacher Robyn McMillan found the perfect way to escape from last week's searing heat — relaxing in the shallows at Altona, after school.

But one thing she couldn't escape from was the little monsters — we mean darlings she thought she had left behind.

Robyn found that one way of keeping her charges cool was to douse them with water every now and again.

By the way, Robyn, 20, of Maidstone, teaches at St. Albans' East Primary School.

WEST GATE APPEAL FUNDS INVESTED

Every penny raised by the West Gate appeal fund had been invested in interest-savings accounts with the State Savings Bank, Altona Town Clerk, Mr. Jim Waters, told the last council meeting.

He said only a small allocation of money (less than three figures) had been given to families for immediate relief.

Mr. Waters said more investigations were now being made about who would receive the money.

He said a West Gate ap-

peal committee meeting was scheduled for March 1 to discuss disbursement of the funds.

VOLUNTARY LABOR SAVES \$80,000 ON SCHOOL CONSTRUCTION

The completion of St. Leo's Primary School by voluntary labor had saved the parish \$80,000, Cr. Pat Lynch, told Altona Council last week.

Cr. Lynch added that the school had been opened for the beginning of the current school year and would accommodate 170 boy and girl pupils.

He said voluntary labor, working half a day every Saturday and Sunday over the past two years, had completed the school in Mason Street, Altona.

Cr. Lynch said the saving of the money would enable the school to be enlarged to twice or perhaps three times its original size.

He added: "It will stand as a monument to the hard work put in by members of the parish."

Cr. Les Crofts also moved successfully at the last council meeting that the council present St. Leo's with a picture of The Queen, as has been the custom in the past.

● An official opening date for the school has not been set.

The Altona Spastic aid committee will hold its next social evening in the youth hall (Civic Parade) on Friday at 7.45 p.m.

\$100,000 LOAN FOR ALTONA

Altona Council has been granted a \$100,000 loan by the Commonwealth Savings Bank to finance development works in various parts of the city.

The Mayor, Cr. Doug Grant, said yesterday this sum would meet two fifths of the council's loan program for the current year.

The money will be used for:

- Resurfacing of bitumen pavements and provision of underground drains (\$40,000).
- Provision of access roads for the development of Altona rubbish tip (\$23,000).

- Sewering of council properties (\$8000).
- Acquisition of land for various purposes (\$19,000).
- Stage one development works on the 25 acre W. L. J. Crofts recreation reserve in Altona North (\$10,000).

IN MEMORIAM

DOLAN. Treasured memories of my loving husband, Pat, passed away 28.2.70. There is always a face before me, A voice I would like to hear, Of a husband I loved so dearly. My Pat. — Loving wife Gladys.

LANGDON (Pryor). — In fond and loving memory of Valerie, passed away 27th Feb. 1962.

We think of you with love today But then we do that often Though memories cannot dim the loss That time can never soften.

— Inserted by Mum, Dad (Dec.) John Margaret (Mrs. Marlowe) Pat (Mrs. Psaila) Max, sister-in-law Judith, brothers-in-law Lou and Noel, nieces Carmen, Natalie, and Nicole.

NASH, Arthur William. 24th Feb., 1967. God watched you as you suffered. He knew you'd had your share. He gently closed your weary eyes. And took you in his care. From Mum, Dad and Joan.

IN MEMORIAM

SUTCLIFFE. — In loving memory of my dear wife, Florrie, who passed away March 3rd, 1967. No more with me, My life to share, But in my thoughts, You are always there. — Loving husband Bob.

TURNHAM. — Cherished memories of our son, Robert William (Bobbie), loving twin brother of Kevin, who fell asleep 19th February, 1945. When the evening sun is setting

In our hearts there comes a longing. For you to come back home If we could have our dearest wish, with trembling lips we would pray Dear God turn back the hands of time, And give us yesterday. — Inserted by Mother and Father.
